

Services

- **Professional Services**

- Assessment and Planning (Security Assessment, IT Infrastructure Assessment, Compliance Readiness Assessment)
- Implementation Services (Hardware Installation, Software Deployment, System Integration)
- Ongoing Services (Security Training, Regular Security Reviews, Incident Response Support)

- **IT Support & Managed Services**

- Basic IT Support (\$2,000-\$4,000/month)
- Advanced IT Support (\$5,000-\$9,000/month)
- Premium IT Support (\$10,000-\$20,000/month)

- **Security Add-on Services**

- Secure Server Room Kit (\$15,000-\$30,000)
- Multi-Factor Authentication Hardware (\$5,000-\$15,000)
- Network Segmentation Bundle (\$10,000-\$25,000)
- Disaster Recovery Infrastructure (\$20,000-\$40,000)
- Advanced Security Assessment (\$8,000-\$25,000)
- Penetration Testing (\$15,000-\$30,000)
- Advanced Threat Intelligence Integration (\$10,000-\$20,000)
- Smart City Security Suite (\$25,000-\$45,000)

Platform

- **CyberSecure AI Core Platform**

- AI-Powered Threat Detection

- Automated Incident Response
- Compliance Automation
- Predictive Risk Analysis
- Advanced AI-Driven Threat Hunting
- AI-Enhanced Predictive Risk Analysis
- AI-Powered Compliance Automation
- Interactive Security Visualization
- AI-Based User Behavior Analytics
- **Security Features**
 - Multi-Factor Authentication
 - Zero-Trust Architecture
 - Data Protection & Encryption
 - Identity Management

Solutions

- **Cloud Security Packages**
 - Cyber-Cloud Essential (\$15,000-\$30,000)
 - Cyber-Cloud Advanced (\$30,000-\$60,000)
 - Cyber-Cloud Enterprise (\$60,000-\$150,000)
 - FedRAMP-Compliant Cloud Networks (\$40,000-\$80,000)
- **Hardware Security Packages**
 - Hardware Essential (\$8,000-\$14,500)
 - Hardware Advanced (\$35,000-\$55,000)
 - Hardware Enterprise (\$90,000-\$155,000)
- **Integrated Cloud & Networking Packages**
 - CyberSecure Essential (\$25,000-\$40,000)

- CyberSecure Advanced (\$50,000-\$80,000)
- CyberSecure Enterprise (\$100,000-\$250,000)
- Custom Government Package (Contact for pricing)
- **CyberSecure AI-EDU Pilot Programs**
 - K-12 Pilot Programs (Small, Medium, Large)
 - Higher Education Pilot Programs (Small, Medium, Large)
- **Specialized Government Solutions**
 - Multi-State Security Coalition Platform (\$50,000-\$120,000)
 - Government Community Cloud Integration (\$30,000-\$75,000)
- **Education-Specific Networks**
 - Research Network Security Partitioning (\$25,000-\$60,000)
 - Classroom Device Management (\$15,000-\$35,000)
 - BYOD Security Management (\$20,000-\$45,000)
